

Badgers and History

1. Look at various time lines e.g 60's, Vikings etc through the eyes of a badger
2. Look at agricultural and industrial changes over time – how has this affected badgers?
3. Look at badger baiting/wildlife crime over time, how has this changed?
4. Look at the changing of laws regarding wildlife and conservation over time.
5. Research the history of a local badger sett – how has the area changed? Can you find out how old the sett could be?
