

Badgers and Literacy

Many of these ideas can be tied in with Expressive Arts Outcomes

1. Create a poem/story about badgers
2. Design a leaflet providing information about badgers
3. Write/direct and act out a play titled
 “This is your life Brodrick Badger”
4. Under resource - Woodlands Trust/badger exercise act out the debate – each person should take on the different roles or create new ones e.g. farmers, badger group representative. Debate whether or not the new road should be built.
5. Write a newspaper article about badger crime or about the debate.
6. Using a video recorder, take turns to be:
 - a) camera crew
 - b) news paper reporter
 - c) members of the public
 - d) Scottish badgers representative
 - e) Against Badgers Group Member

Interview each person(s) to find out their views and opinions on badgers. You may want to create a script before.
